This will reveal to us grants in the £100k+ region.- Event update regarding BHCA (by AP)- Bar Hill News article (by AP) including report on any feedback received as well as any new contacts- Parish Poll update (by AP) – We can ask yes/no questions only. There is no “do you want a skatepark?”-option. We will propose as many different skateparks as we like, and “no” to each option will count as not wanting a skatepark. After the election I will ask Democratic Services at South Cambs District Council to produce a report for the Parish Council (this committee) to explain in more detail how this could work	REF1
